Dear Dr. Conard:

Reference is made to your letter of 29 December 1967 requesting entry to Kwajalein for the AEC medical team in which you indicated that a free-lance photographer, Mr. Clayton Jay Price would accompany the team.

It has come to my attention that this office does not have the authority to grant a clearance for Mr. Price to visit Kwajalein. Our agreement with AEC only covers support of the medical team. Photographers and reporters must be cleared by the Department of Defense, ATTN: Mr. Phil Gouilding, Assistant Secretary of Defense, Public Affairs, Washington, D. C.

The individuals listed below are authorized to visit Kwajalein during the period 21 February 1968 through 23 March 1968 in connection with the annual medical survey of the Marshallese people:
